

Hematocrit I ebi-a-GCST90002304

Shared comparator excludes all known GBC lead loci; Q tests compare each exact hit with it.

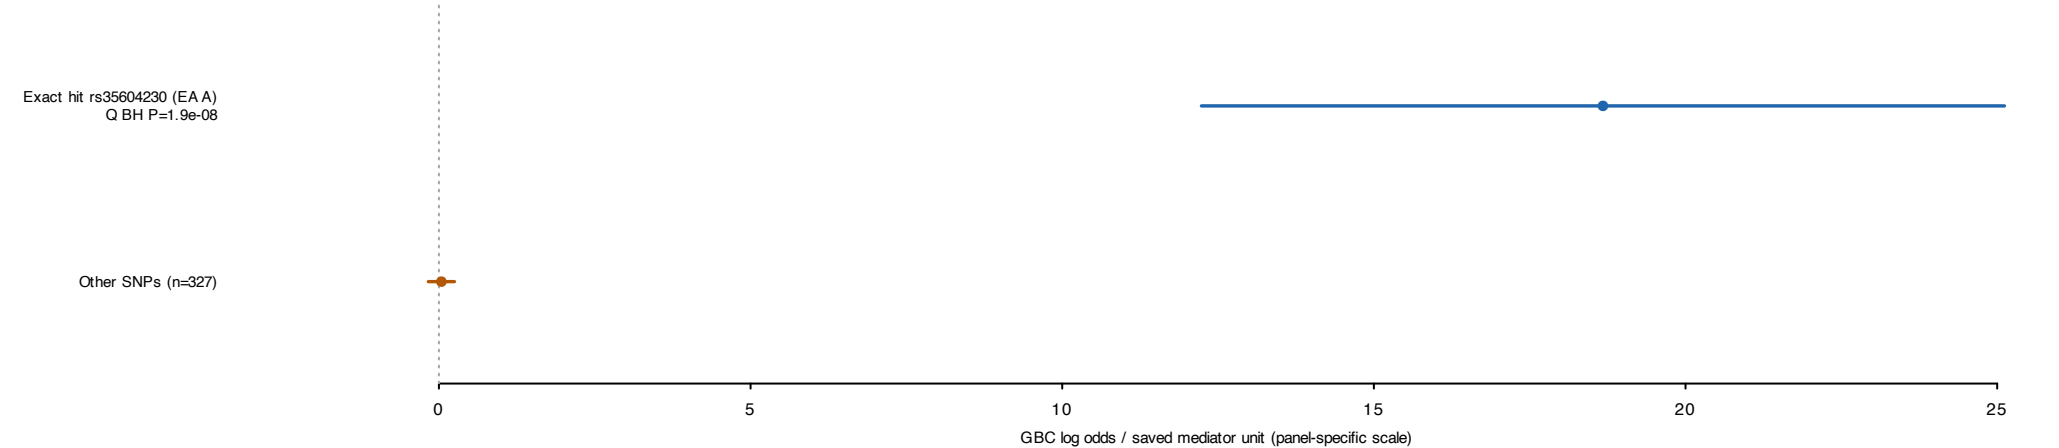

Mean platelet volume I ebi-a-GCST90002346

Shared comparator excludes all known GBC lead loci; Q tests compare each exact hit with it.

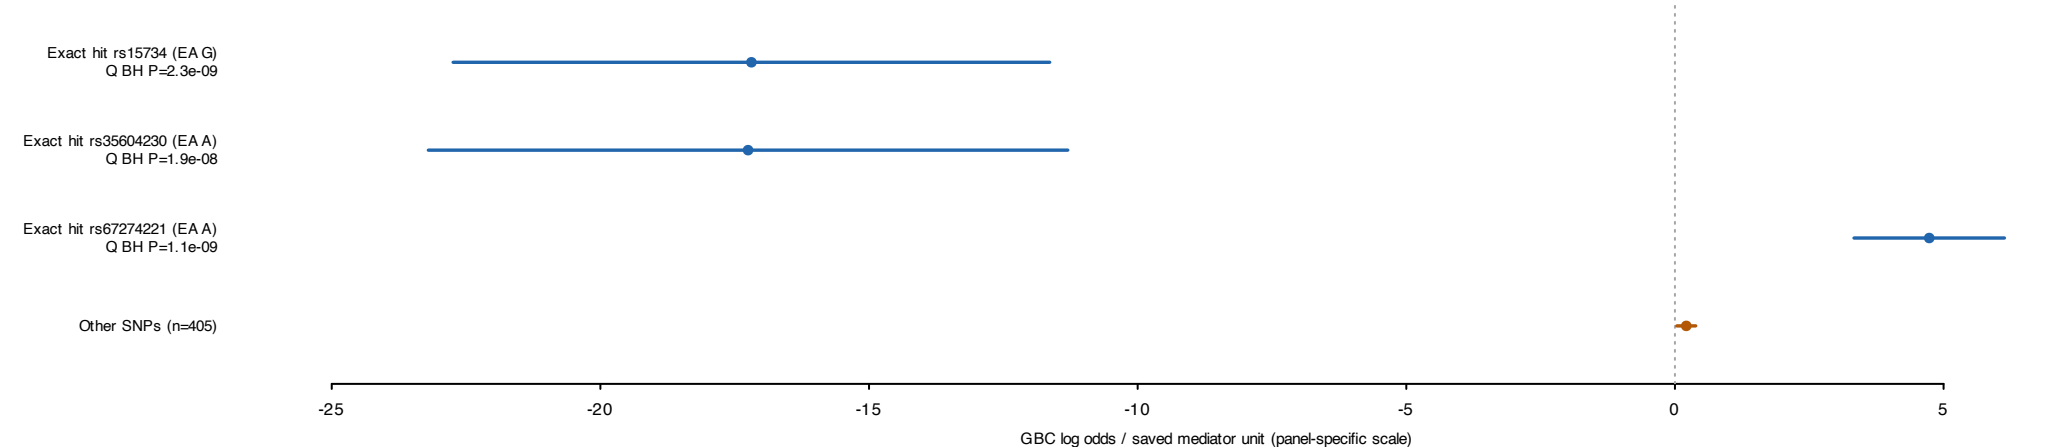

Eosinophil counts I ebi-a-GCST90002381

Shared comparator excludes all known GBC lead loci; Q tests compare each exact hit with it.

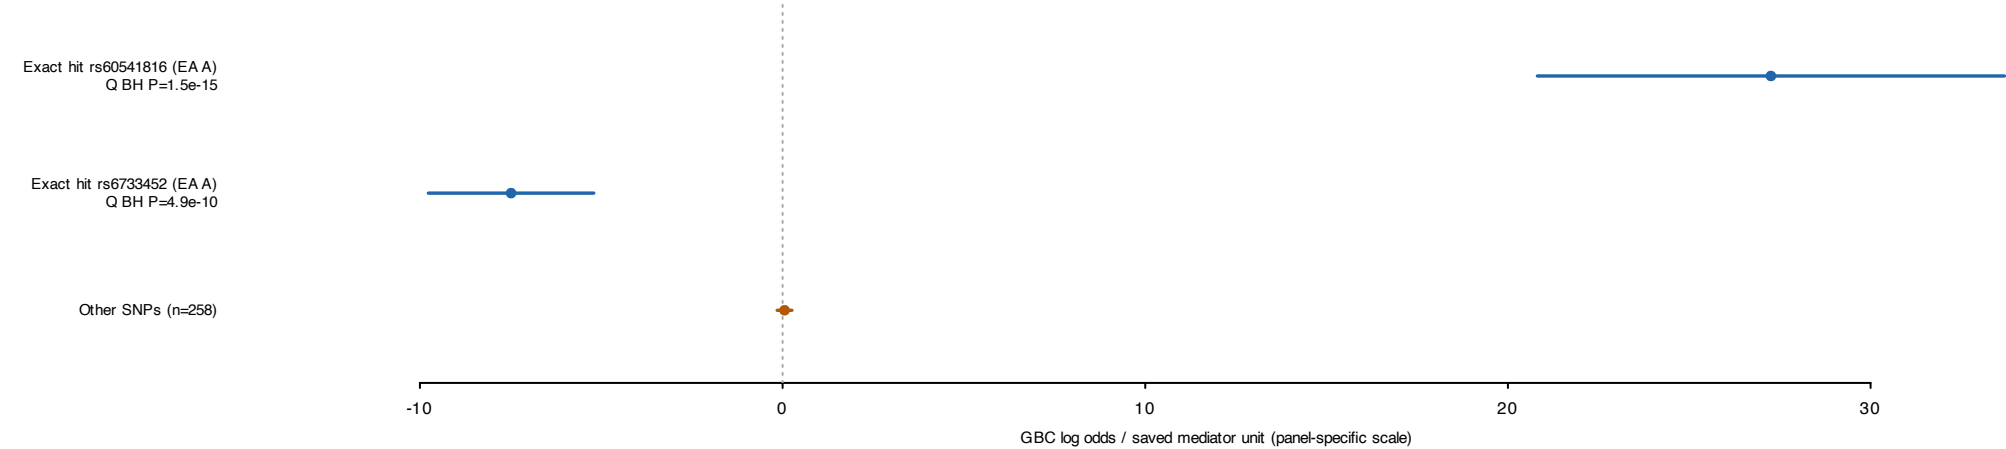

Platelet count I ebi-a-GCST90002402

Shared comparator excludes all known GBC lead loci; Q tests compare each exact hit with it.

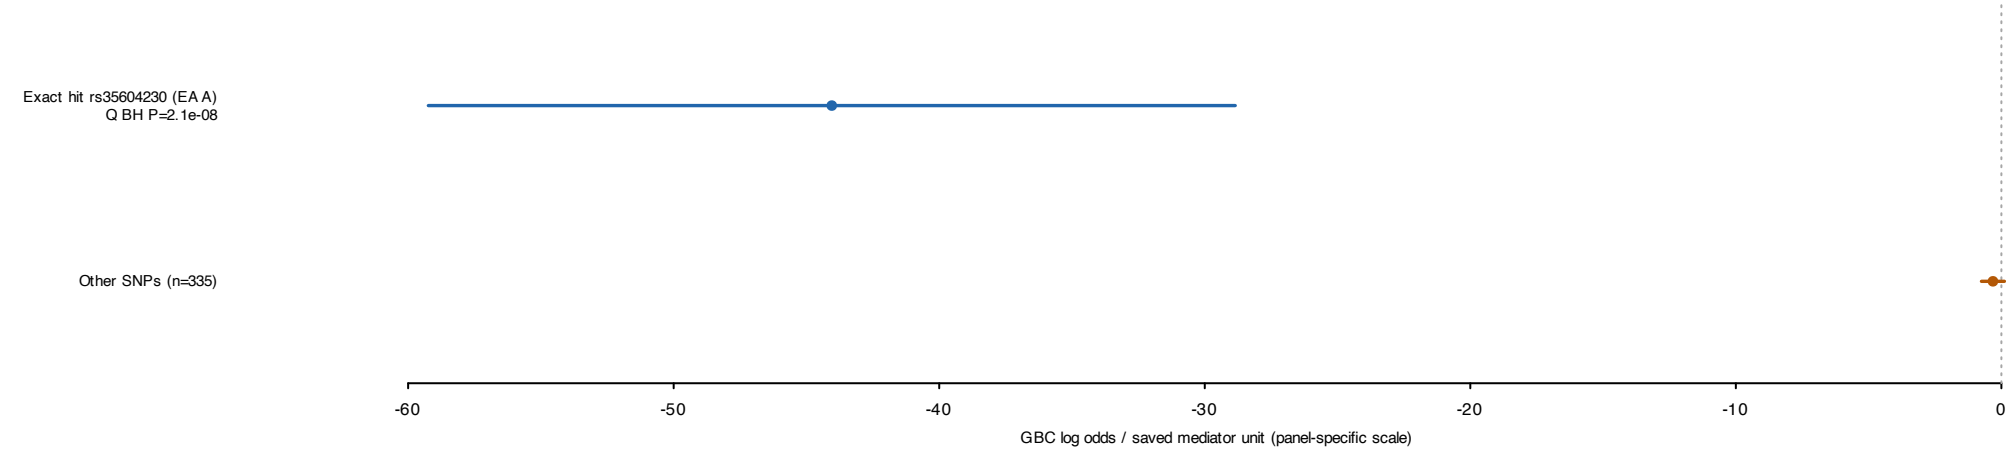

Low density lipoprotein cholesterol levels I ebi-a-GCST90002412

Shared comparator excludes all known GBC lead loci; Q tests compare each exact hit with it.

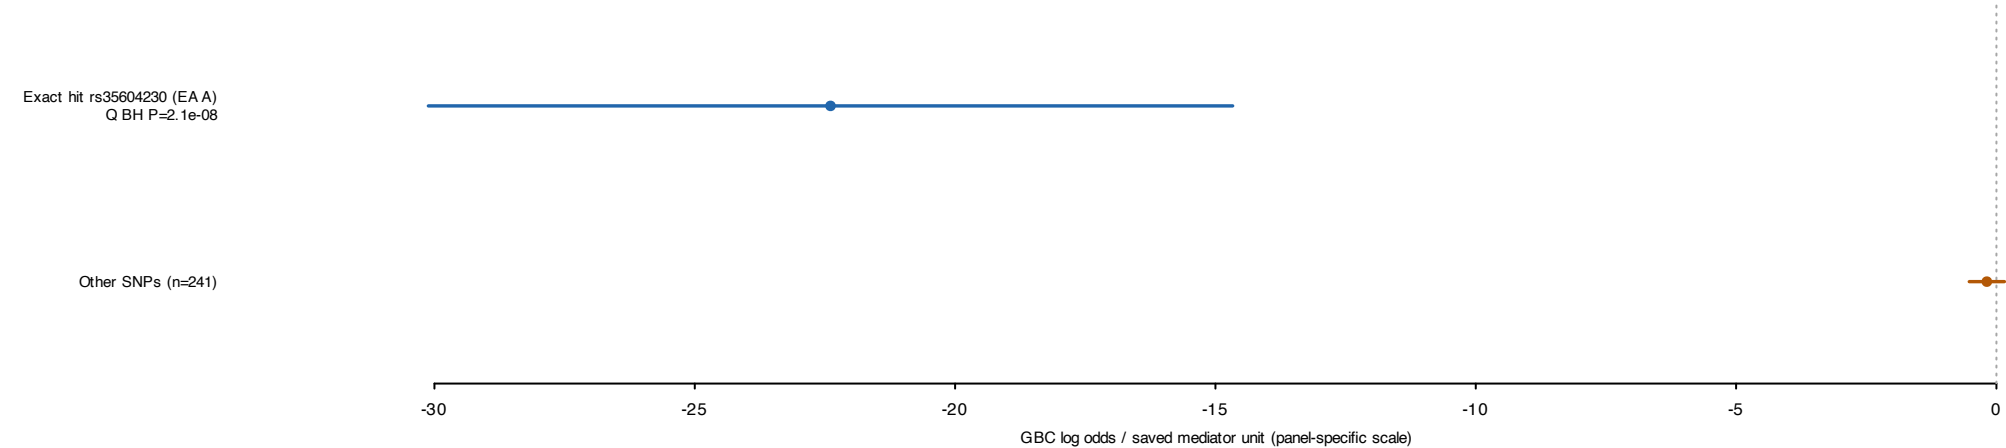

Sex hormone-binding globulin levels adjusted for BMI I ebi-a-GCST90012110

Shared comparator excludes all known GBC lead loci; Q tests compare each exact hit with it.

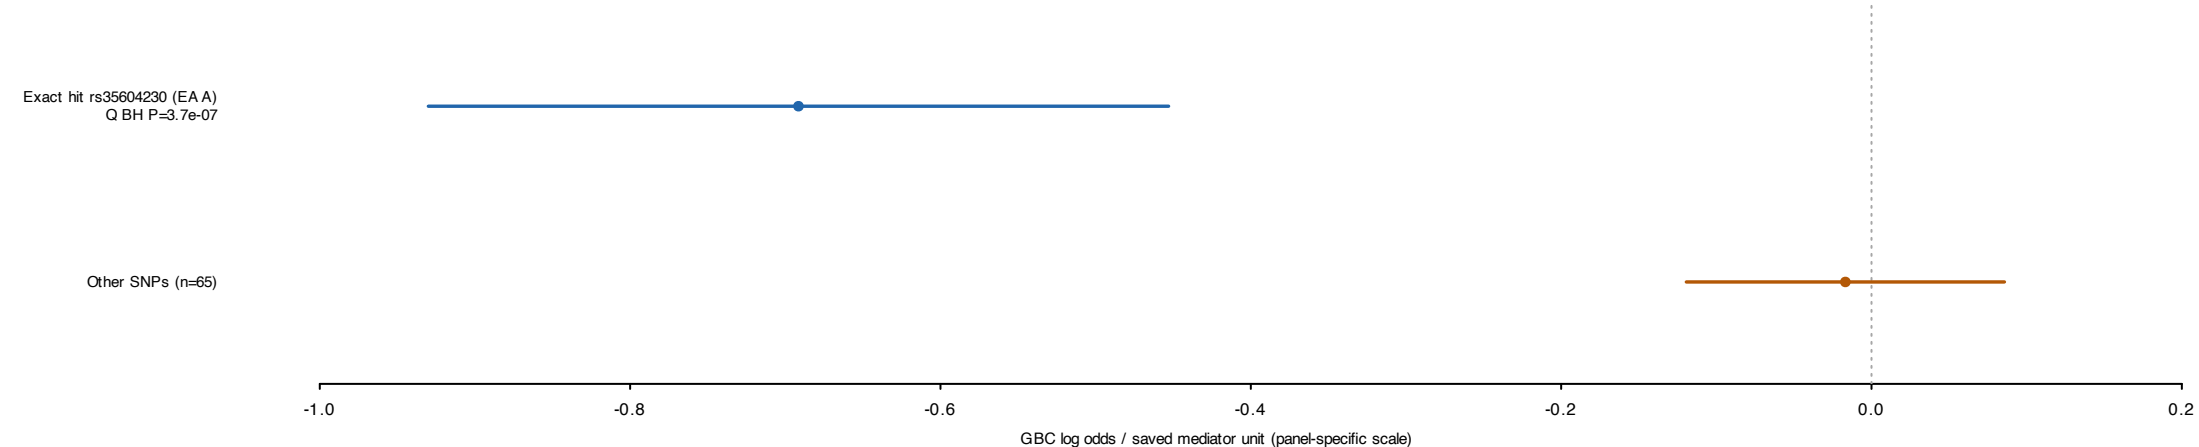

Urate levels (UKB data field 30880) I ebi-a-GCST90014015

Shared comparator excludes all known GBC lead loci; Q tests compare each exact hit with it.

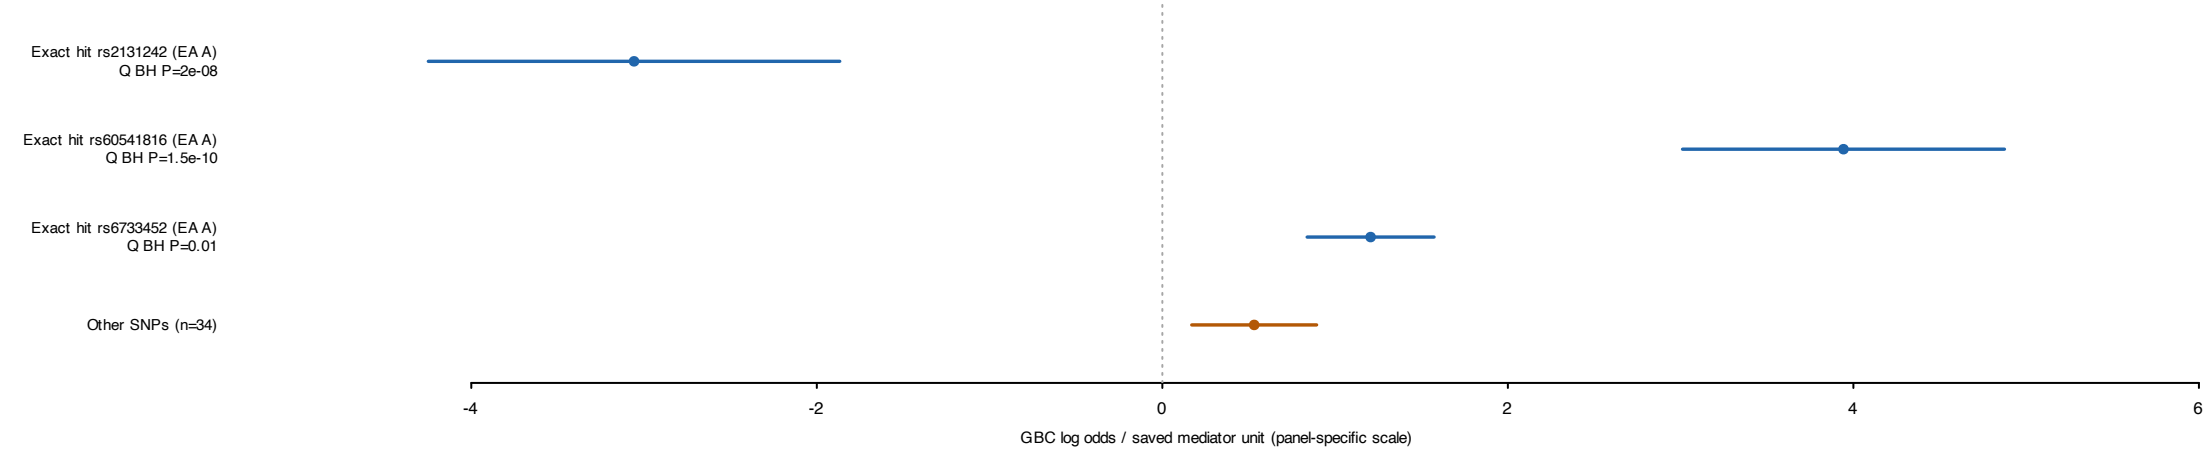

Type 1 diabetes I ebi-a-GCST90014023

Shared comparator excludes all known GBC lead loci; Q tests compare each exact hit with it.

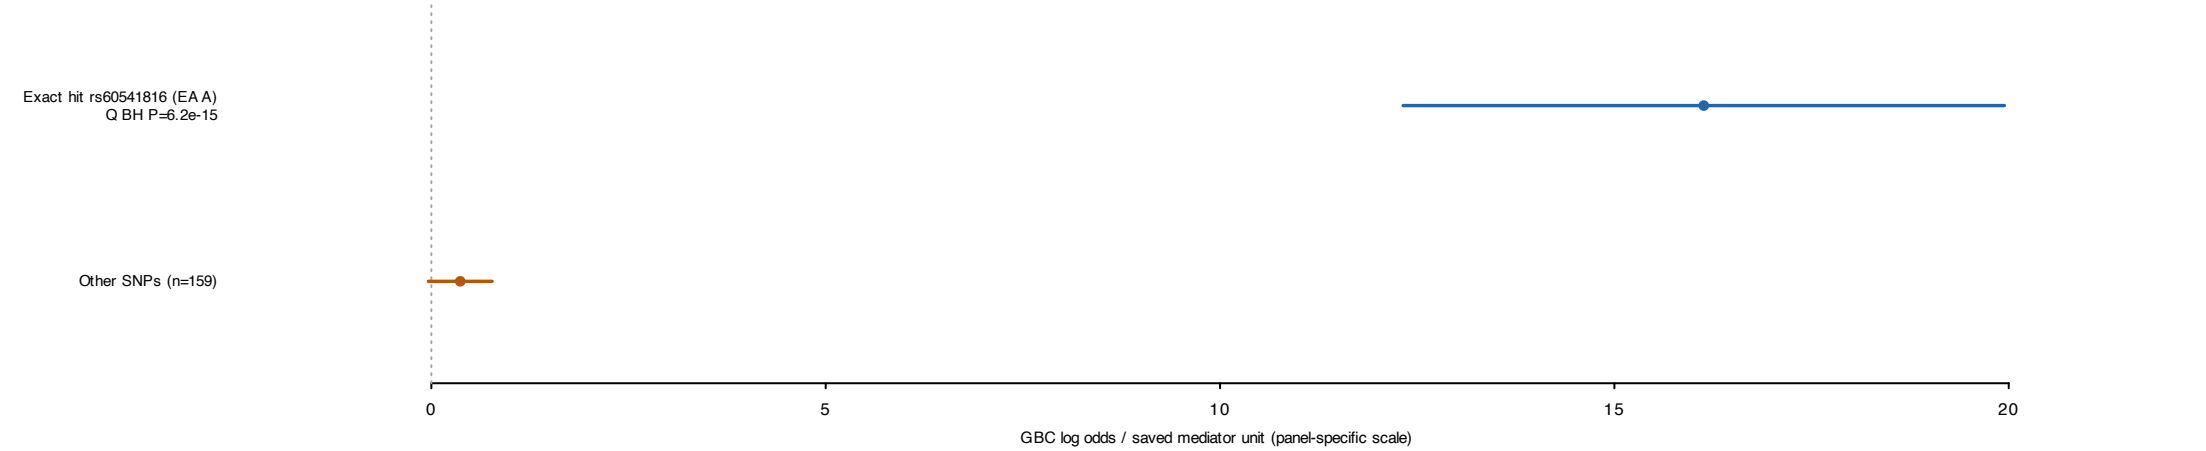

Cholelithiasis I ebi-a-GCST90018819

Shared comparator excludes all known GBC lead loci; Q tests compare each exact hit with it.

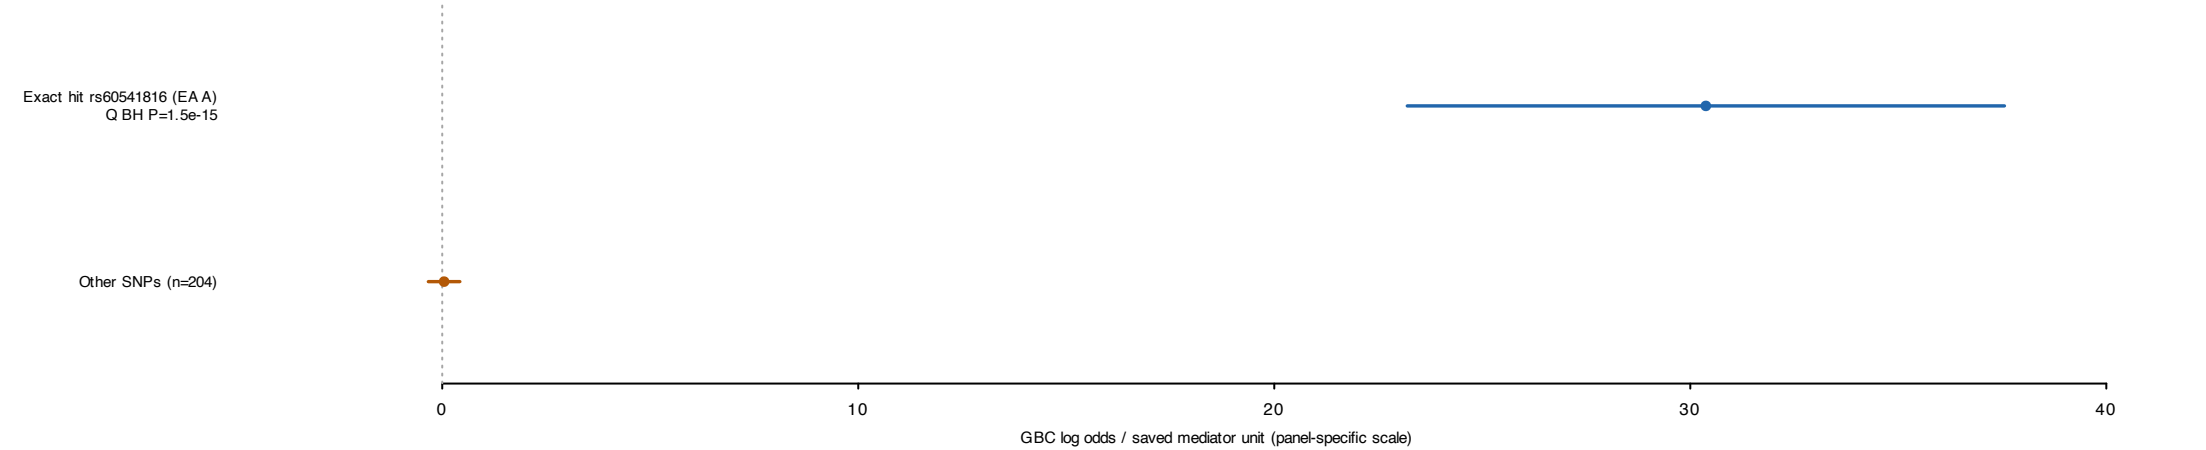

Alanine aminotransferase levels I ebi-a-GCST90018943

Shared comparator excludes all known GBC lead loci; Q tests compare each exact hit with it.

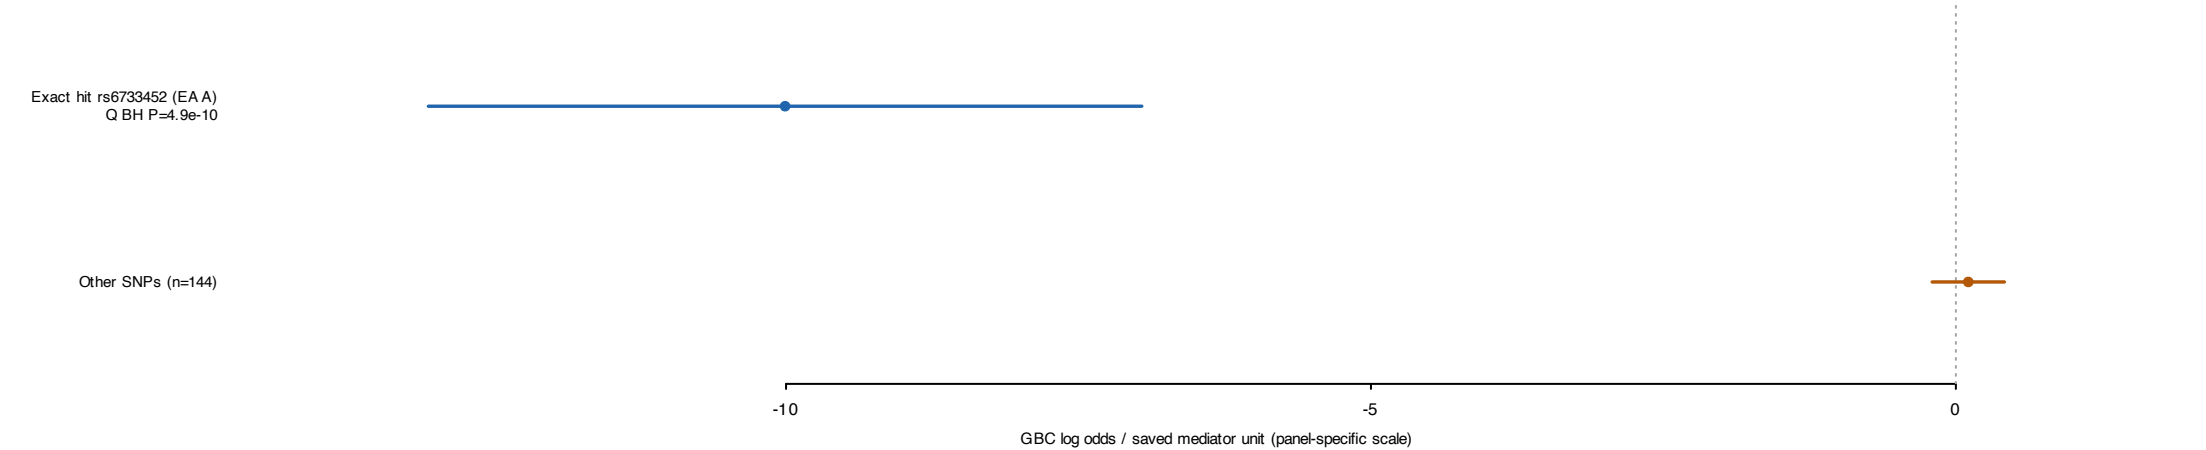

Aspartate aminotransferase levels I ebi-a-GCST90018944

Shared comparator excludes all known GBC lead loci; Q tests compare each exact hit with it.

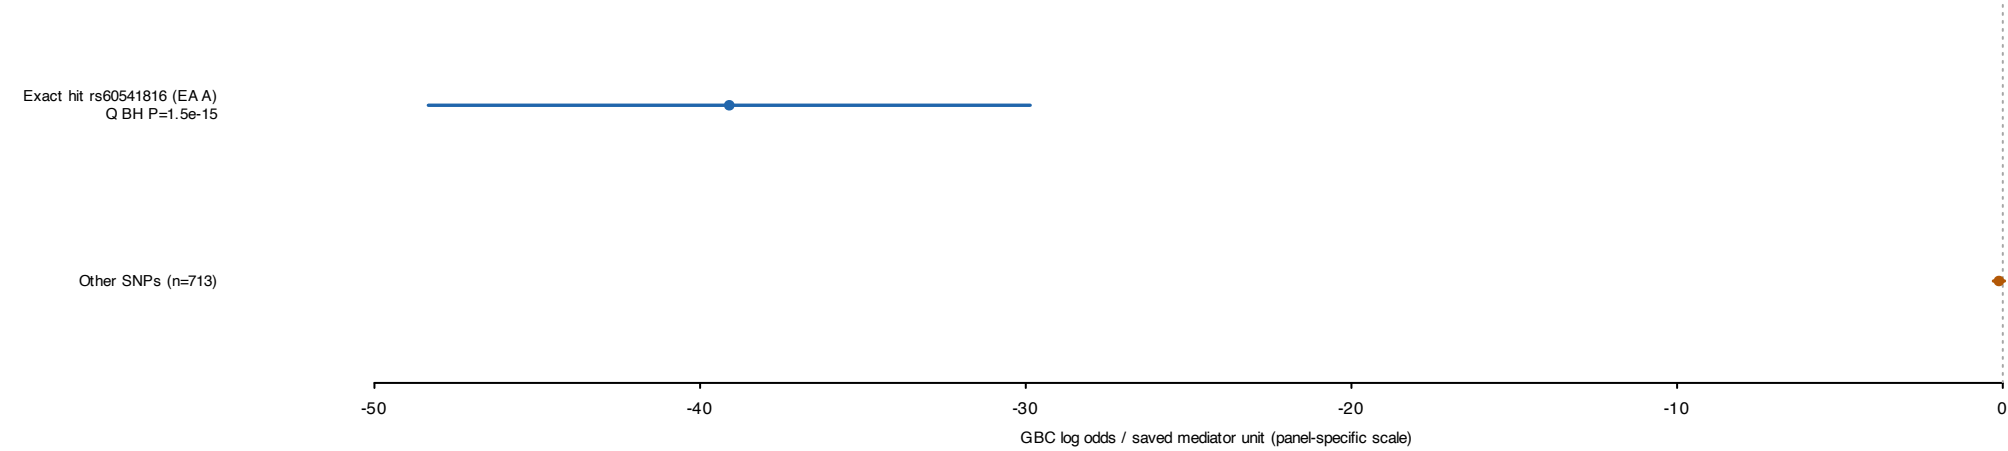

Total cholesterol levels I ebi-a-GCST90018974

Shared comparator excludes all known GBC lead loci; Q tests compare each exact hit with it.

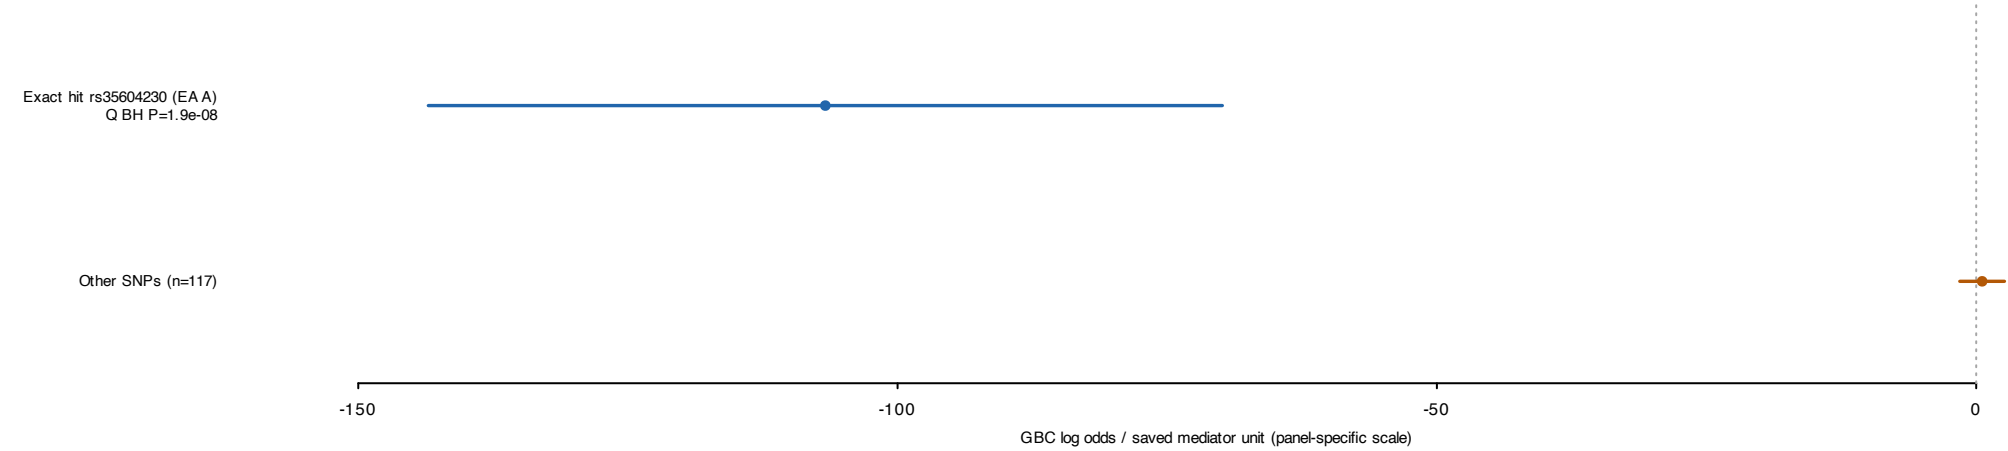

Height I ebi-a-GCST90029008

Shared comparator excludes all known GBC lead loci; Q tests compare each exact hit with it.

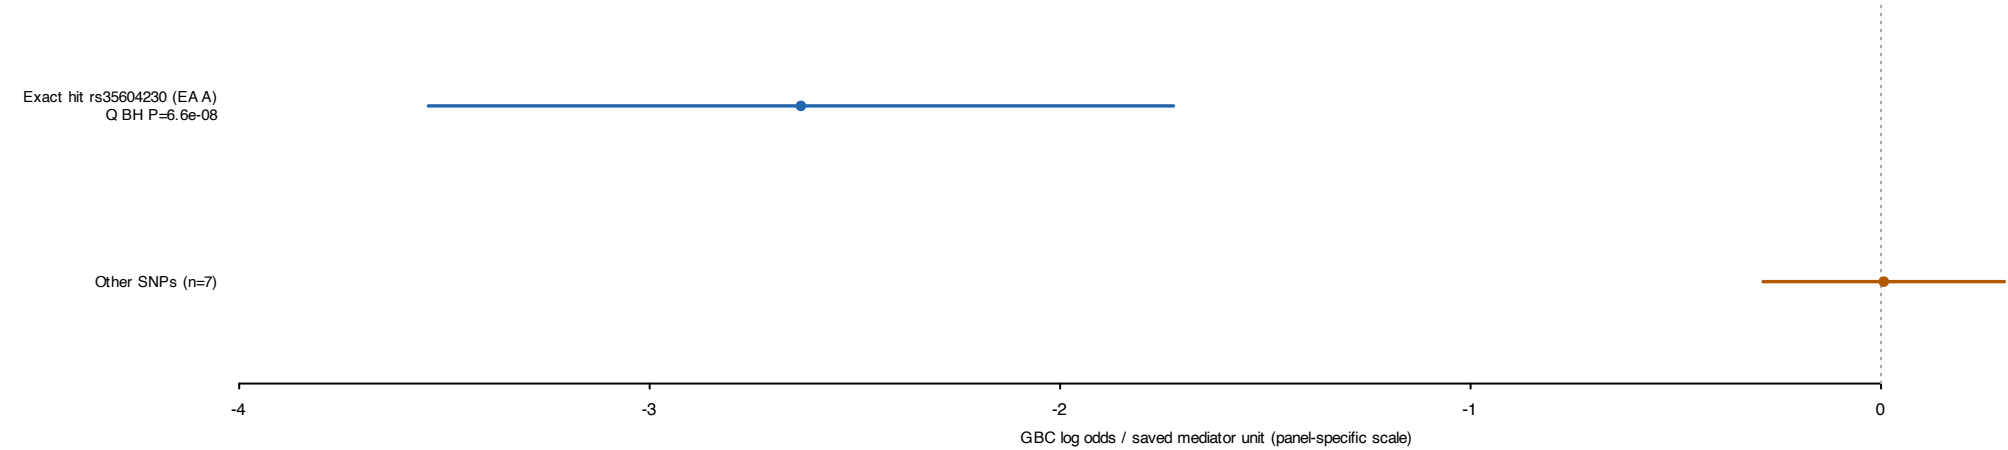

Thyroid problem (not cancer) I ebi-a-GCST90038635

Shared comparator excludes all known GBC lead loci; Q tests compare each exact hit with it.

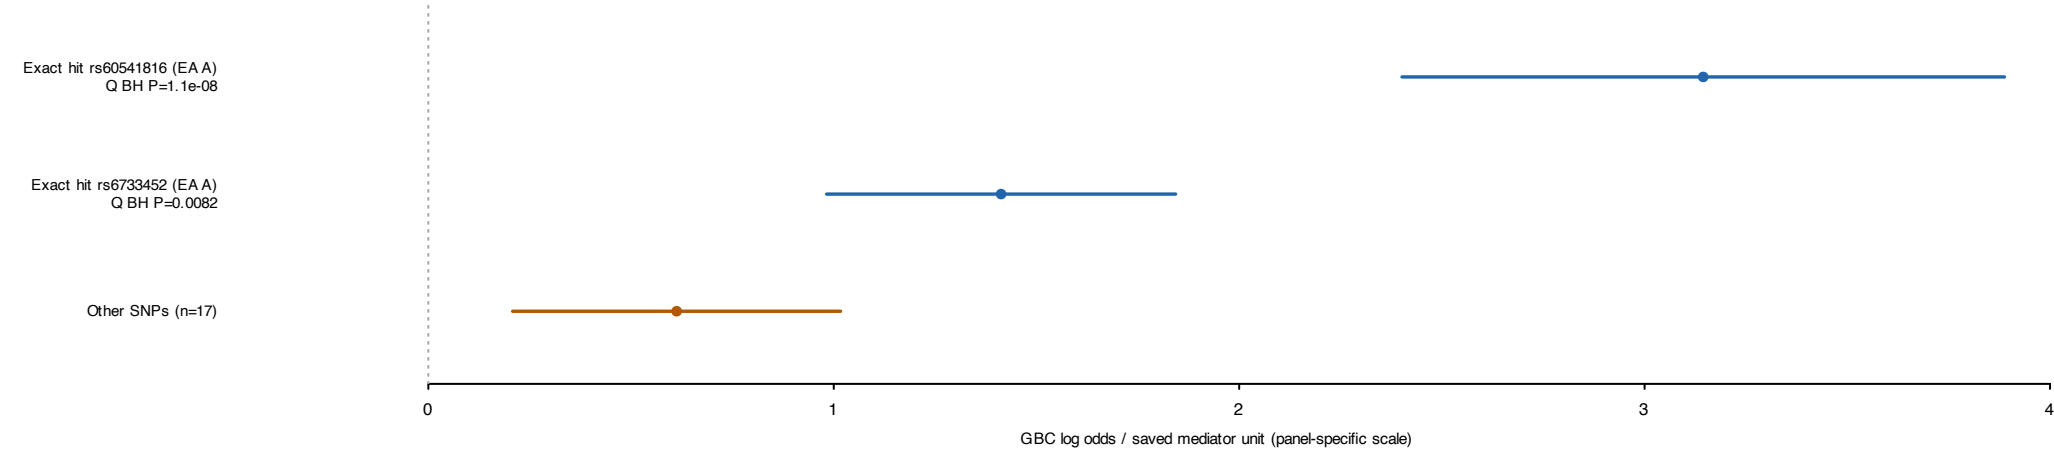

Diabetic retinopathy (DM_RETINOPATHY) I finn-b-DM_RETINOPATHY

Shared comparator excludes all known GBC lead loci; Q tests compare each exact hit with it.

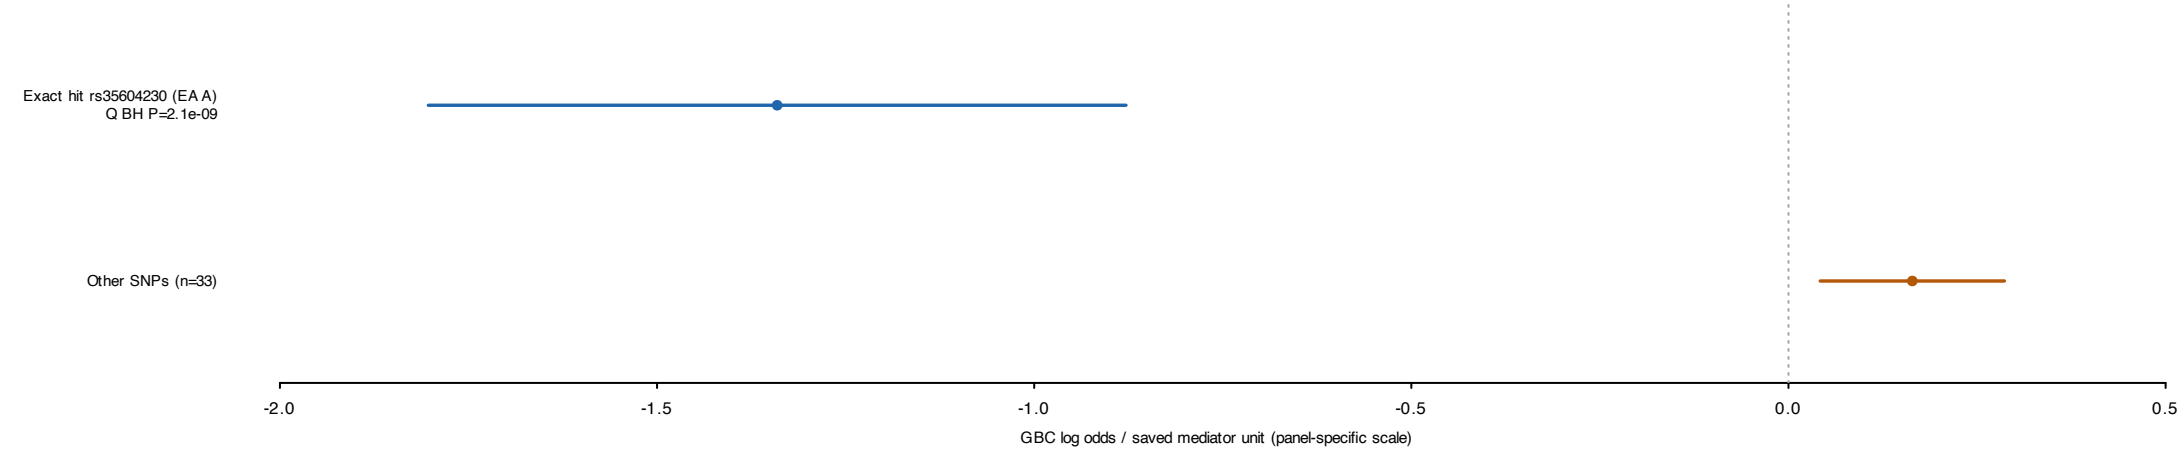

Disorders of gallbladder, biliary tract and pancreas I finn-b-K11_GALLBILPANC

Shared comparator excludes all known GBC lead loci; Q tests compare each exact hit with it.

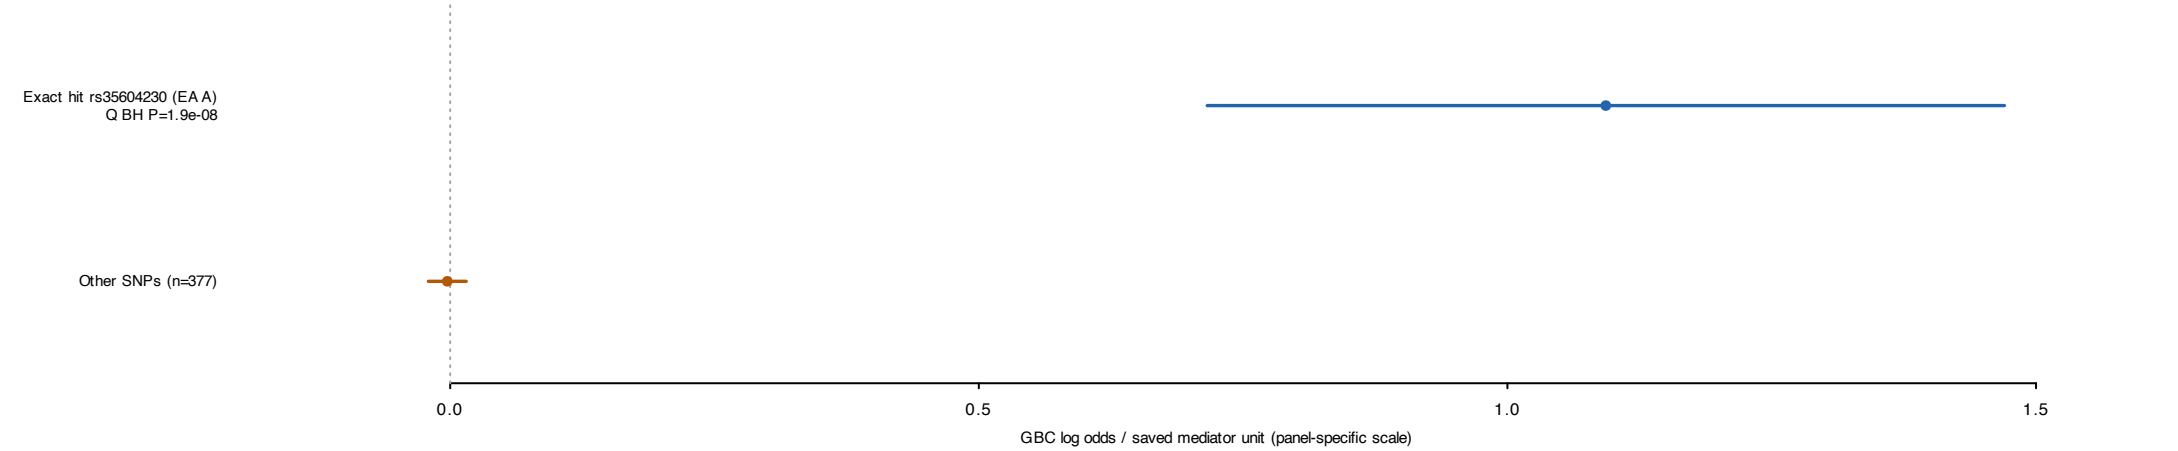

Rheumatoid arthritis I ieu-a-832

Shared comparator excludes all known GBC lead loci; Q tests compare each exact hit with it.

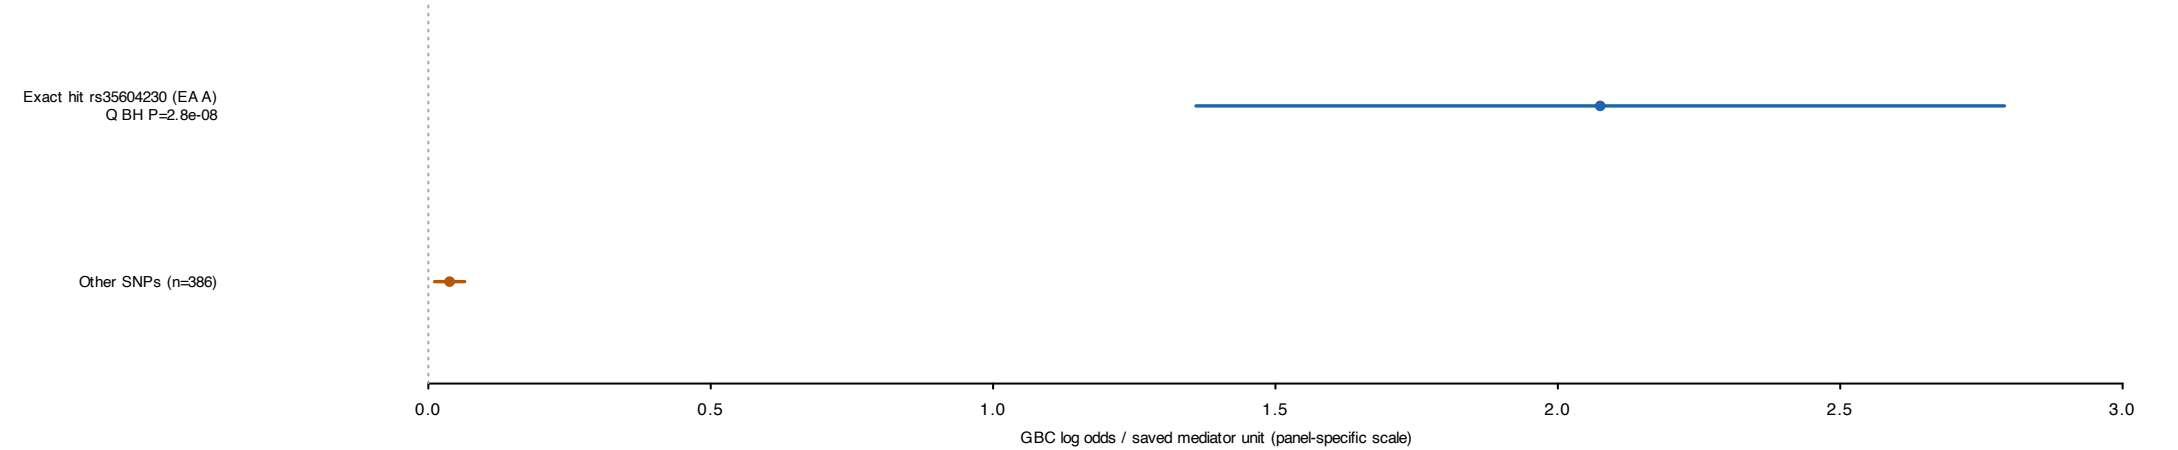

systolic blood pressure I ieu-b-38

Shared comparator excludes all known GBC lead loci; Q tests compare each exact hit with it.

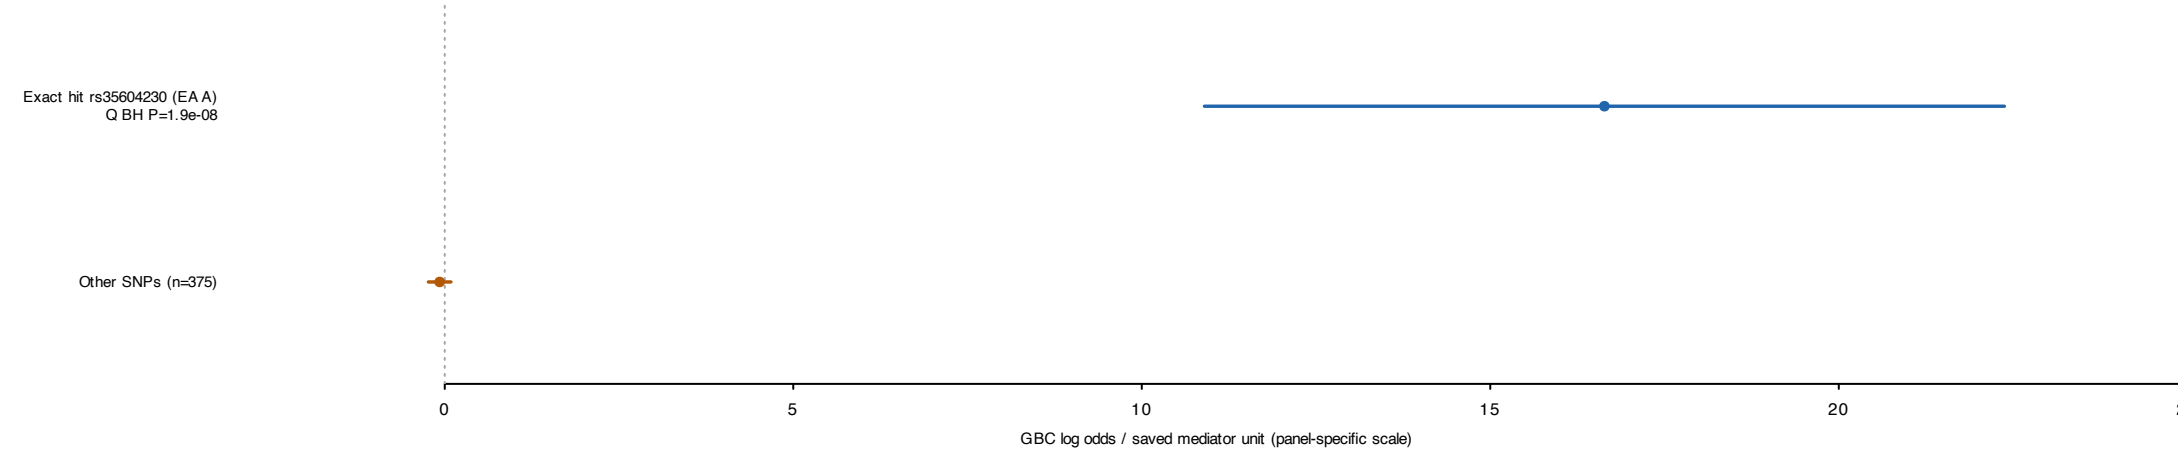

diastolic blood pressure I ieu-b-39

Shared comparator excludes all known GBC lead loci; Q tests compare each exact hit with it.

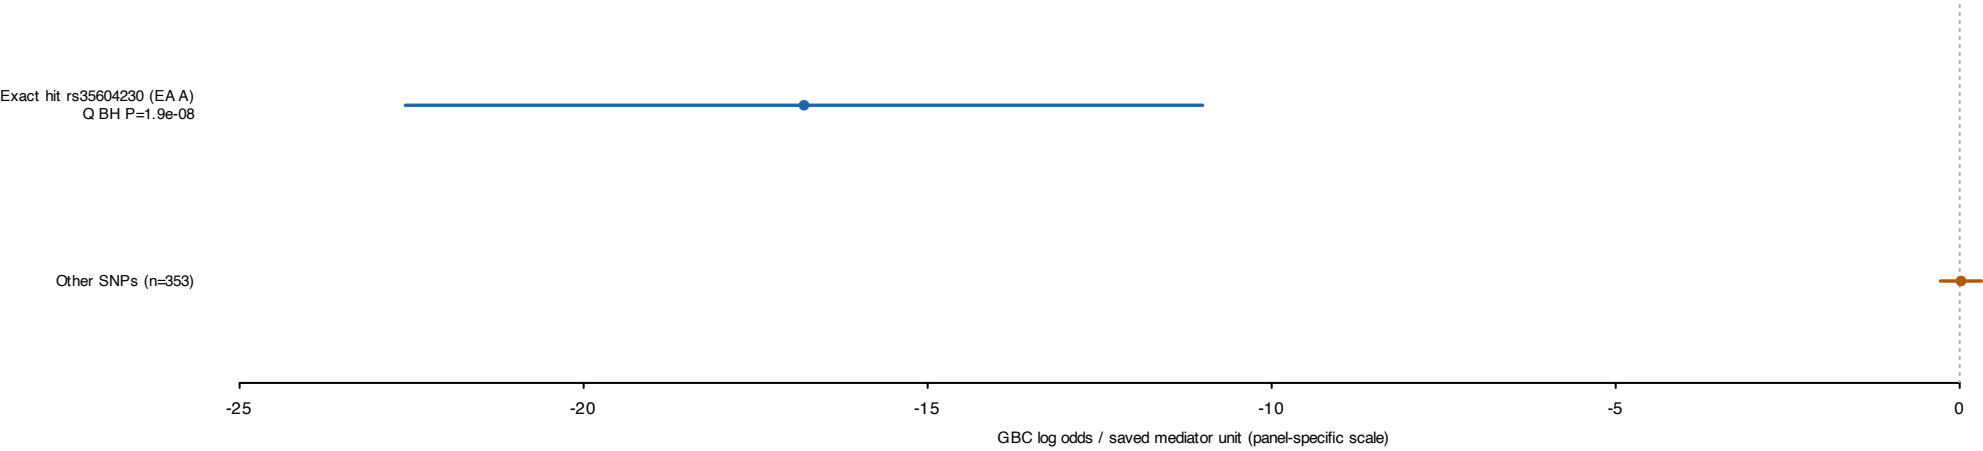

Age at menarche I ieu-b-5136

Shared comparator excludes all known GBC lead loci; Q tests compare each exact hit with it.

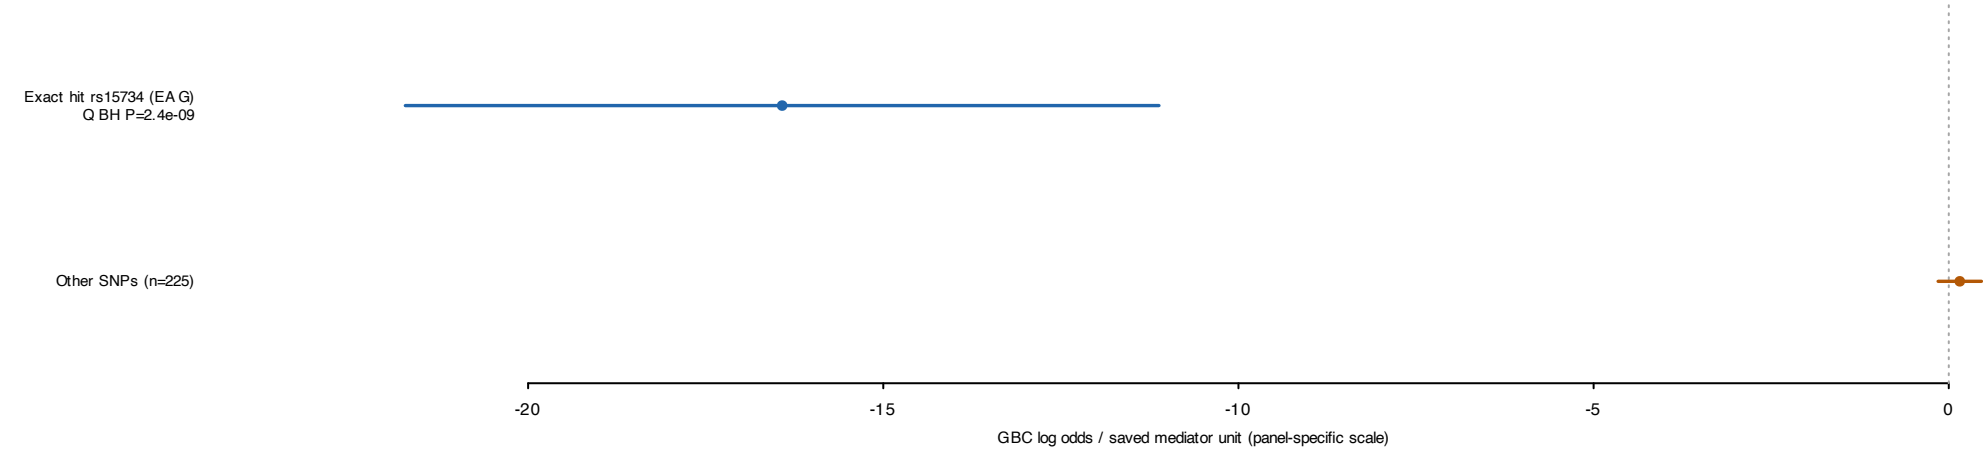

Hip circumference I ukb-b-15590

Shared comparator excludes all known GBC lead loci; Q tests compare each exact hit with it.

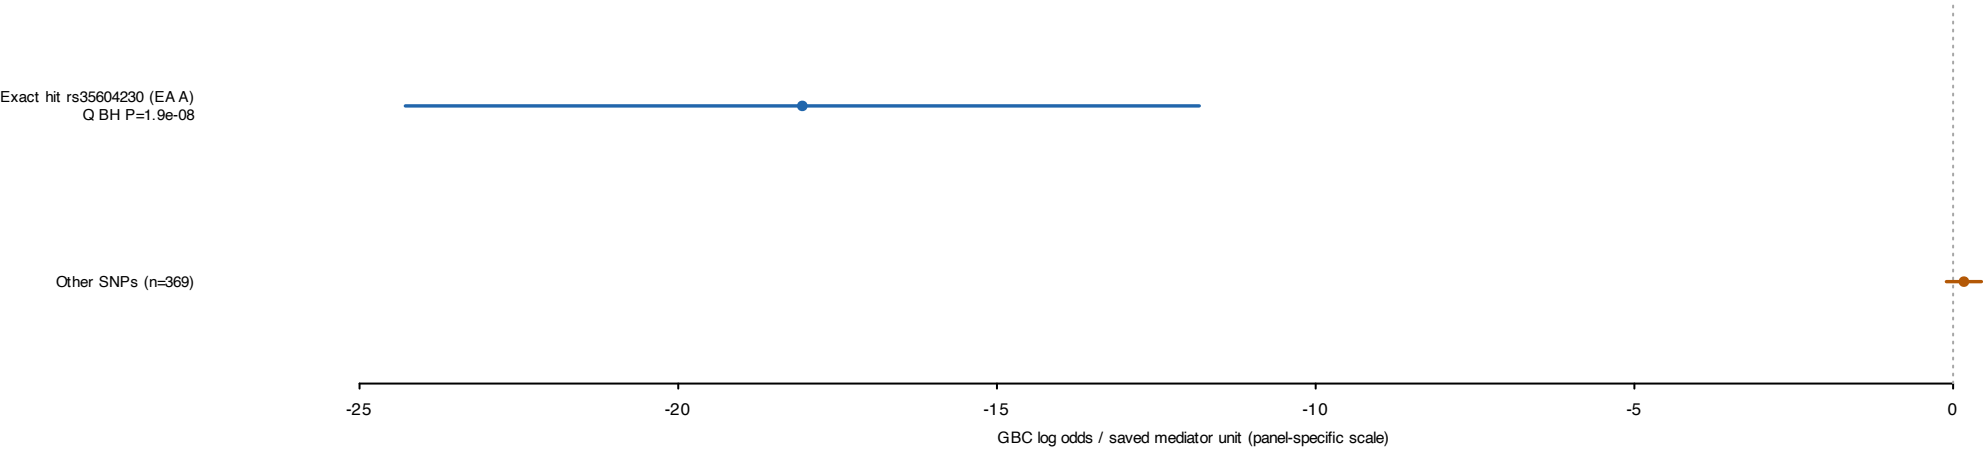

Pulse rate, automated reading I ukb-b-18103

Shared comparator excludes all known GBC lead loci; Q tests compare each exact hit with it.

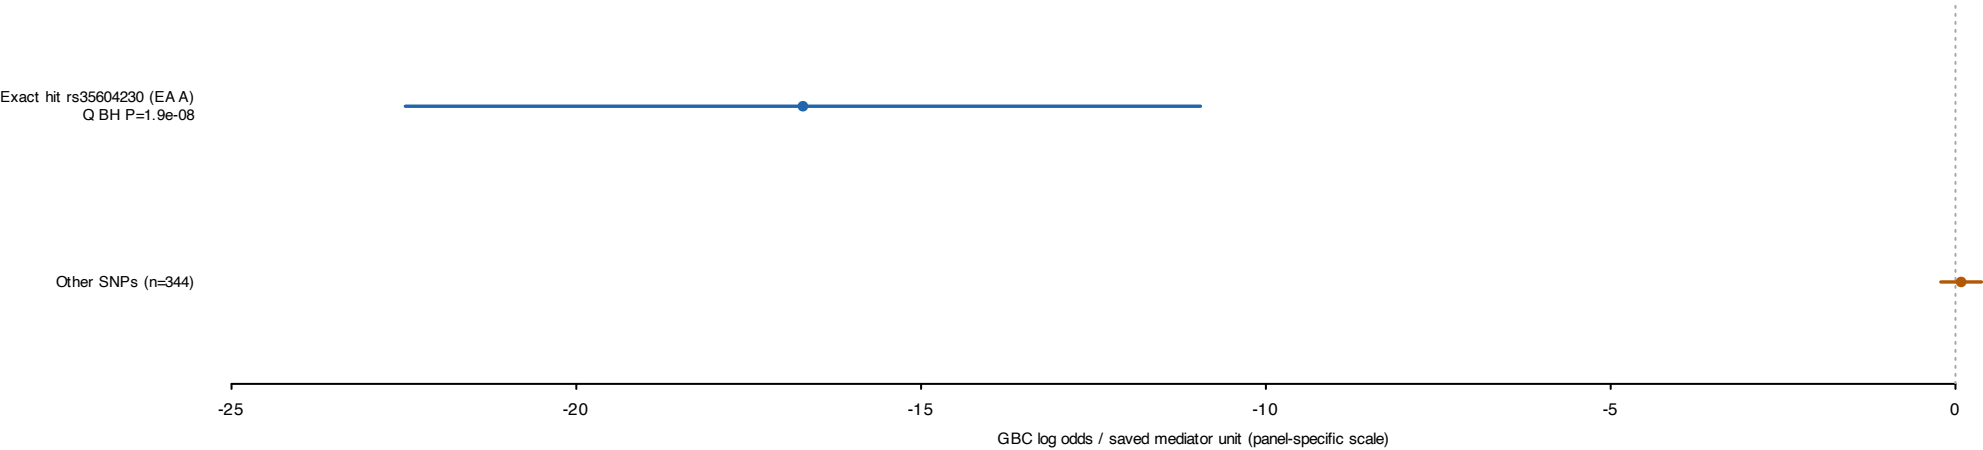

Body mass index (BMI) I ukb-b-19953

Shared comparator excludes all known GBC lead loci; Q tests compare each exact hit with it.

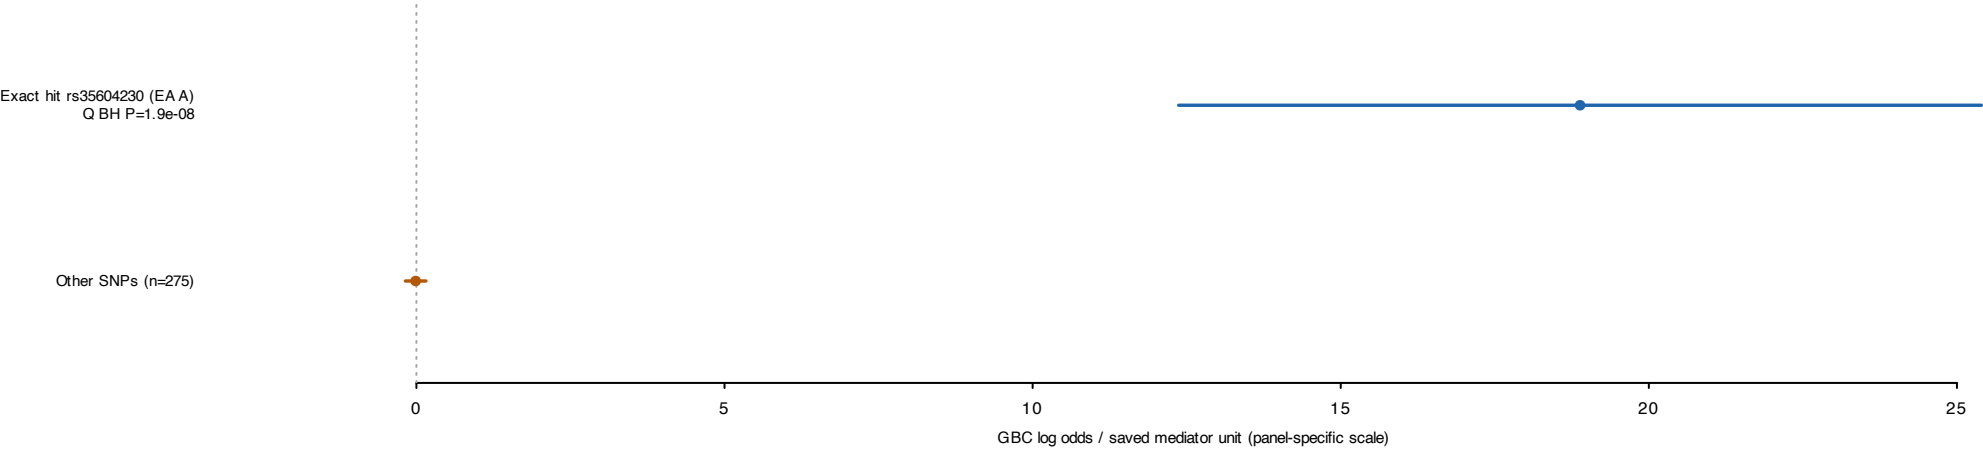

Trunk fat mass I ukb-b-20044

Shared comparator excludes all known GBC lead loci; Q tests compare each exact hit with it.

Mean corpuscular volume I ukb-d-30040_irnt

Shared comparator excludes all known GBC lead loci; Q tests compare each exact hit with it.

Apolipoprotein B I ukb-d-30640_raw

Shared comparator excludes all known GBC lead loci; Q tests compare each exact hit with it.
